We partner with public health agencies to bring free trainings from subject matter experts to the public health workforce.

We offer:

Live and recorded webinars and lectures to increase knowledge on emerging topics

Virtual and in-person skills-based workshops

Training for adapting existing curricula to a distance-learning format

Each year we provide 20 public health students with field placements at agencies serving medically underserved areas.

The Region IV PHTC Learning Community

Kentucky LPS:
University of Louisville

Tennessee LPS:
East Tennessee State University

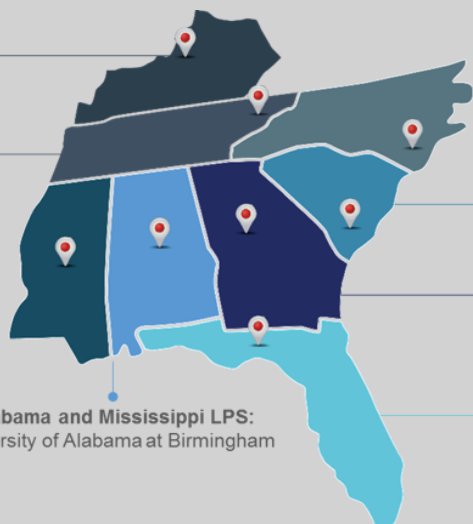

Alabama and Mississippi LPS:
University of Alabama at Birmingham

North Carolina LPS:
University of North Carolina
