DESCRIPTION:

The following position is offered as a field placement through the Region IV Public Health Training Center (<https://r4phtc.org/>).

NOTE: Though 100% in person is ideal, remote work may be considered.

The Florida Department of Health in Monroe County serves the residents of and visitors to the Florida Keys. DOH-Monroe maintains three sites from Key West to Tavernier, including three clinics, three community health services offices and an administrative center. Our Mission– To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

POSITION DESCRIPTION:

The student will coordinate alongside the Public Health Planning Manager for the Community Health Improvement Plan in developing a survey, collecting data, and analyzing results of the survey as part of the MAPP Process' [Community Health Status Assessment](#). Surveys will be collected from various populations in Monroe County, including by socio-economic status, geography, gender, LGBTQ+, age, disability status, risk status related to sex and gender. The assessment is one of four needed to develop the renewed Community Health Improvement Plan for Monroe County. The department aims to collect between 5,000-10,000 surveys from residents by December 2023 representing a wide range of populations within the county.

PREFERRED QUALIFICATIONS:

- Skills in Microsoft applications especially Excel, and Outlook
- Skills in communication and public speaking
- Comfortable with cold calling and contacting community partners and residents
- Ability to take initiative and work independently

THE STUDENT WILL HAVE THE OPPORTUNITY TO ASSIST WITH THE FOLLOWING ACTIVITIES:

1. Assist the team with data collection
2. Active communication with community partners, businesses, and residents to partake in the survey
3. Assist the team with data analysis
4. Present data and information and participate in active discussions during the Access to Care Meeting, Substance Abuse Mental Health Planning Meeting, and Monroe County Coalition Meeting, and Health Equity Task Force Meetings.
5. Participate in the October Health to You Event in Big Pine Key, FL.

PUBLIC HEALTH COMPETENCIES/SKILLS STUDENT MAY STRENGTHEN DURING PLACEMENT:

1. Program Planning
2. Community Partnership/Engagement
3. Cross-sector Partnerships
4. Leadership and Systems Thinking/Strategic Thinking
5. Problem Solving
6. Data Analytics/Assessment/Data-based Decision Making
7. Public Health Science
8. Effective Communication
9. Justice, Equity, Diversity, and Inclusion

TRAVEL: No

POSITION TYPE: Region IV Public Health Training Center Field Placements (for MPH/MSPH students)

QUALIFICATIONS AND REQUIREMENTS TO APPLY:

Preference will be given to masters or doctoral level public health graduate students. Will also consider graduate social work students and part-time students (graduate). Students must complete the program prior to graduation. [Past recipients of the Pathways to Practice Award are not eligible to apply again.](#)
